 Dreams Come True is Northeast Florida's only local dream-granting organization, providing dreams for children who are battling life-threatening illnesses. In addition to providing more than 3,300 dreams to local children during our 31 year history, Dreams Come True also supports the children and families we serve through our Special Times Program. This program allows us to fulfill needs and bring smiles to the faces of our children just when they need it most.

The distribution of gift cards and gifts are example of a Special Time. The following is a list of some common Special Times Gifts:

**Gift Cards for:**
- Gas
- Grocery Stores
- Restaurants
- Visa
- Target
- Toys-R-Us
- Wal-Mart

**New, unopened toys such as:**
- Superheroes
- Princesses
- Games

Thank you for your support of Dreams Come True and our mission to use the power of a dream to bring hope and joy to EVERY First Coast child battling a life-threatening illness.
